The general investor of Bratislava pronounced the public tender for providing renewal of the municipal communications surface in Bratislava by the estimated cost 7.56 mills €, VAT excluded. Works are divided into 7 parts and they ought to be finished in the period from July 01 till November 15, 2009 in the streets Pražská, Stromová, Limbová, Šancová, Mýtna, Ružinovská and Mickiewiczova.

The term to ask for the competition papers is till April 29, for submission offers and opening envelopes with them on May 21, 2009. The lowest price is decisive while evaluating them. The highest expected cost has renewal of Ružinovská Street surface, it is 2.6 mills €, with planned realization of works from July till the middle of November this year. Renewal of Šancová Street with estimated cost of works 1.7 mills € should last from July till September. At the same time renewal of Pražská Street should be carried out with the value of works 1.5 mills €, VAT excluded.
